

Wilderness in Europe

©iStock/Graeme Purdy

Wilderness momentum

- European Parliament's special report on wilderness
- European Commission– 'Agenda for Wilderness'
- Alterra, Eurosite and PAN Parks Foundation inputs to developing wilderness management guidance document for Natura 2000 sites

The Million Project

PAN Parks Foundation, the European wilderness protection organisation wants to ensure guaranteed protection of **1 million hectares of wilderness** in Europe by 2015

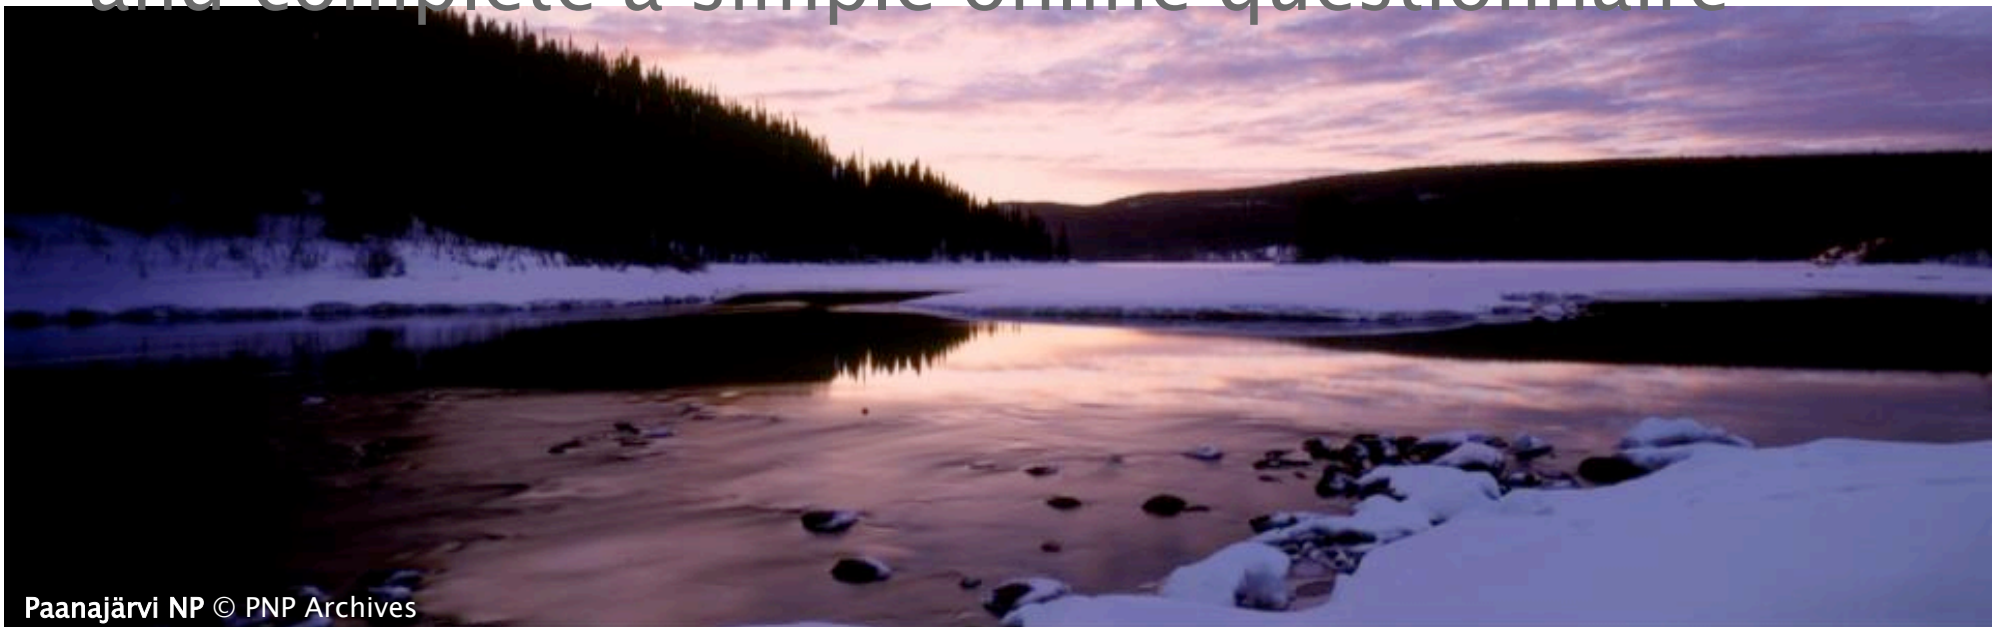

Archipelago NP © Seppo Keränen

Conservation approach

Building partnerships with protected areas that join our Europe-wide wilderness movement

Interested in The Million Project? Contact me and complete a simple online questionnaire

PAN Parks works to protect Europe's wilderness, the continent's most undisturbed areas of nature
